SUMMARY

Self-motivated developer adds high level of experience over more than 3 years collaborating and working on multiple web-based projects. Passionate, hardworking coder with a passion for developing websites and coding in HTML, CSS, and Javascript. Organized approach to meeting multiple, concurrent deadlines. Pulls from active knowledge of current technology landscape to promote best practices in web design.

EXPERIENCE

Integrations Developer   **Mar 2021 - Jun 2022**
XGen - Clearwater, FL (Remote)

- Created different recommended for you elements for many different brands in order to blend in with the websites HTML and CSS at a Saas start-up company located in Florida.
- Debugged various different issues related to javascript.
- Helped with many different rulesets and page triggers.
- Created custom javascript code for different clients that required it.

College Help Program Paid Internship   **Jul 2020 - Mar 2021**
USLi - Wayne, PA (Remote)

- Internship opportunity where I was given the amazing opportunity to be apart of a programming team.
- Learned a wide variety of programming languages/tools (C#, HTML, CSS, JavaScript, SQL).
- Performed tasked under experienced developers in a SCRUM/Agile environment.
- Debugged issues in Visual Studios.

Technology Instructor   **Jun 2019 - Sep 2019**
Lavner Camps - Cherry Hill, NJ

- Delivered engaging curriculum through diverse methods of classroom instruction, computer lab activities and online learning systems.
- Granted the opportunity to teach children how to code in applications such as python, C++, and scratch.
- Demonstrated editing software, graphic design, and YouTube skills to children.

EDUCATION

High School Diploma   **Sep 2015 - Jun 2019**
Kingsway Regional High School
